Directions to Fengtai Softball Field from the Main Press Center (MPC) and Shuttle Info

Dear Members of the Media:

Many of you have been asking about ways and means to get to the Fengtai Softball Field (FTS) Venue.

BOCOG will provide three shuttle lines:

One Line from the MPC to FTS, and one Line from the International Broadcast Center (IBC) to FTS. Both will run three hours before the first game until three hours after the last game.

This is only about a 25-30 minute drive. There is a shift per 20 minutes before the first game and after the last game, and a shift per 30 minutes during the games.

The specific version of the *Media Bus Schedule* is available as of July, so the ISF can keep you updated on developments.

Tickets for all of the softball games – those during round robin play as well as the medal round games – are sold out, so a full house is expected.

We are looking forward to seeing everyone for some exciting, elite-level softball. Please contact us for any further information as follows:
